F courses taught at or after 6:00 p.m.	at regular meeting time

Laboratory exams are to be given during the hour assigned on the test period schedule.

4-credit and 5-credit classes will be given finals according to the M W F schedule.

EXCESSIVE FINALS ON ONE DAY

Students who have three or more final exams scheduled during one day and who desire to have ONE of those tests moved to another day during the final exam period must: (1) obtain a copy of their official registration that is dated no more than 7 days prior to the beginning of the first test day; and (2) seek permission from one of the instructors to change the hour of their final examination. Adverse decisions from all instructors may be appealed through the deans of the colleges involved.

COMMON TESTS NOT OTHERWISE SCHEDULED

These must be arranged by department heads and staff members who teach multiple sections of the same class. The college deans (who plan to use the open periods for multiple-section class tests) will assign a member or members of the applicable department to clear the time for their tests with the Scheduling Office (TSC 246, 797-1015). Rooms must be cleared by midnight for multiple-section tests.

NO-TEST DAYS POLICY

A five-day period designated as “no-test” days precedes final examinations. During this time, no major examinations will be given.
